Clarification of the information in the 4th PPP Call regarding budgeting instructions

Public participants (universities and institutes)
- Own contributions (in kind) from respective public project partner can be calculated at cost with max 600 DKK per hour, cost level properly verified.
- Overhead calculation - According to the accounting principles of the respective public participant as accepted by national funding agencies, properly justified and verified.

Private participants (companies)
- Own contributions (in kind) from respective private project partner can be calculated at cost with max 600 DKK per hour, cost level properly verified.
- Overhead calculation – As agreed between all project partners in the consortium agreement, properly justified and verified or with a max level of 25% of the direct project costs (personnel costs, consumables and travels).
